

APPLICATION FOR JMTA SCHOLARSHIP

I \_\_\_\_\_ am applying for the JMTA scholarship and confirm that I am aware that JMTA scholarship is designed for graduating high school seniors who will be continuing their study of music in college as a Music Major or a dual major in Music and another field of study. (Music minors are not included).

Therefore I acknowledge that:

1. I will audition before the scholarship committee and perform three pieces of different time periods with duration no longer than 30 minutes. My repertoire will be memorized and I will provide one original score of each performed piece for judges during auditions.
2. If selected by the scholarship committee, I will perform for a scheduled JMTA function to complete the award requirements.
3. I will register as a Music Major next year. If I fail to register and complete my first year of college as music major, I will promptly return the scholarship monies.
